

Magic Music Media Means More For

Corporate Holiday Parties

Experience The Difference

Entertainment Professionals Do More Than Just "Play Music" We perform these valuable services and they are all included in your basic fee.

- Planning the entire flow and timing of the event.
- Purchasing, Maintaining, Packing, Traveling and Setting Up a professional sound, light, and music system.
- Coordinating every event including Cocktail Hour, Caterers, Awards, Speeches, and more.
- MCing all announcements clearly and properly, directing an entire room.
- DJing the proper mix of music selected by you and your guests.
- Helping to solve problems in a professional manner that may arise.

In all we work at least six hours extra on your event day and at least three hours on your event in advance. Our services can't be measured by the hour.

During the **Winter Holiday Party** season, you may choose any regular corporate entertainment package (see brochure for details) or choose from special Winter Holiday packages. Remember, don't skimp on your entertainment. For more details on elements of these packages and information on our regular **CORPORATE** packages,

Music Sets The Mood. We Create The Interaction. Fun is Had By All.

Why risk your important event to a "weekend warrior" disc jockey, an "ipod" (who's going set up the sound system and run the ipod?), or other ineffective and unsatisfactory substitute for a professional music DJ and event company. We give you more.

Our staff can help you pick the most appropriate entertainment package for your special event and even customize our services to your needs. Extra time can be added to any package for a normal fee. Don't forget that we can also conduct all types of **contests and games** such as Hula Hoops, Musical Chairs, Limbo, Instant Talent, Best Joke, Freeze, and other team building games. Add **Mini Trivia Blitz** to build on today's TV phenomena.

Of course all systems include cocktail and dinner music, sound cues for your program, master of ceremonies for any awards presentations, use of our sound system for toasts and speeches, and dance music as you specify.

Mini Trivia Blitz

Add a mini trivia game show consisting of **three contestant podiums**, backdrop, and some lights. We ask the questions, you give the answers. If contestants know the answer, they get points. After five minutes we cycle the game. Compete with many sound effects and digital scoring. Basic game add on: (\$300 extra) **Additional podium: \$50 extra.**

Sing A Song Karaoke

People love to sing and be the star. We can host karaoke in a number of ways at your event.

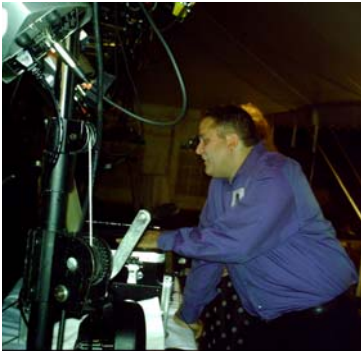

Stand Alone Karaoke (all or mostly karaoke) with sound, 3000 songs, TV, 2 mics, backdrop, lights (\$400/2 hours)

Karaoke Add On (add karaoke to a DJ when main focus is dancing) with 100 songs, TV, 1 extra mic (\$100 extra to party)

Video Presentations Video Montages Digital Photos

For a nominal fee, we can bring our video projector, DVD or VHS Player and screen and playback your pre-made video montages and presentations. (\$200 extra) Need help compiling video montages? We can do that also. Supply us with your pictures or digital pictures and we will set them to music.

Want to create a keepsake for your guests? We will take digital photos at your event and give them to your guests before they leave. (Price on application).
